Montana Students Selected for United States Senate Youth Program **--Students Headed to Washington, D. C. and to Receive \$5,000 Scholarship--**

January 11, 2016, Washington, D.C. -- Senators Jon Tester and Steve Daines today announced the names of the two students who have been selected as delegates to the 54th annual United States Senate Youth Program (USSYP) that will be held March 5 – 12, 2016 in Washington, D.C. Mollie Lemm of Polson and Arthur Pettit of Missoula were chosen from across the state to be part of the group of 104 student delegates who will attend the program's 54th annual Washington Week.

The USSYP was created by Senate Resolution 324 in 1962 and has been sponsored by the Senate and fully funded by The Hearst Foundations since inception. Originally proposed by Senators Kuchel, Mansfield, Dirksen and Humphrey, the impetus for the program as stated in Senate testimony is "to increase young Americans' understanding of the interrelationships of the three branches of government, learn the caliber and responsibilities of federally elected and appointed officials, and emphasize the vital importance of democratic decision making not only for America but for people around the world."

Each year this extremely competitive merit-based program brings 104 of the most outstanding high school students — two from each state, the District of Columbia and the Department of Defense Education Activity — to Washington, D.C. for an intensive week-long study of the federal government and the people who lead it. The overall mission of the program is to help instill within each class of USSYP student delegates more profound knowledge of the American political process and a lifelong commitment to public service. In addition to the program week, The Hearst Foundations provide each student with a \$5,000 undergraduate college scholarship with encouragement to continue coursework in government, history and public affairs. Transportation and all expenses for Washington Week are also provided by The Hearst Foundations; as stipulated in S.Res.324; no government funds are utilized.

Mollie Lemm is a senior at Polson High currently serving as a Senior Class representative. She is involved in speech and debate, and is currently working as an intern at a local newspaper. Mollie is passionate about writing, the environment, and bettering her school and community. Her future goals include seeing as much of the world as possible and examining how politics and the environment shape society. She plans to pursue a degree in journalism.
